Fall 2026

Dear Hunters,

Each year the Thousand Islands Land Trust opens the Crooked Creek Preserve to a select number of hunters as a way to encourage outdoor recreational opportunities on TILT owned lands. Over the years, this has been a very successful program for the organization as it allows us to cultivate new relationships with a diverse group of people while showcasing how the work conducted by TILT benefits the greater community. Moving forward we are excited to see the program continue to grow with new requests for permits being submitted each year.

With that said, we invite you to become more familiar with TILT and to become more involved in all aspects of the organization. Throughout the year the Land Trust hosts a variety of treks, events, and stewardship work days, including our Spring Tern Grid Installation, the Zenda Farms Community Picnic, and our Spring/Fall Stewardship Days. These programs help individuals gain a greater understanding of what TILT does and how important it is to conserve the beautiful Thousand Islands Region. Please contact me or visit our website to sign up for any of the treks, events, and/or work days.

If you have any questions pertaining to hunting permits or any TILT related programs, please feel free to contact me directly at knims@tilandtrust.org, visit our website www.tilandtrust.org, or call the TILT office at (315)-686-5345.

Best Regards,

Ken Nims

1. Hunters must possess a valid NYS Hunting license, carry a valid TILT Permit Card while hunting on the Preserve, and are expected to obey all relevant NYS Environmental Conservation Laws.
2. If you intend to use a tree stand on the Preserve, you must comply with the following. You must indicate on your "Application for Deer Hunting Privileges" whether or not you are planning on using a tree stand. All tree stands must be removable! The hang-on stands you can buy, (or make) may be used. Ladder stands may be used. Large platforms and/or tree stands that nail into the tree are not acceptable. Please pick a location so that the least amount of damage is done to the tree. This is a sensitive natural area. Please conduct your hunting activities in a manner that minimizes your impact. Do not discard or leave any trash. **Tree stands must have the Permittee's Permit # displayed on each authorized tree stand.** Please report all unauthorized & unidentified tree stands to the TILT office.
3. Deer drives are prohibited!
4. Completed **Hunting Data Forms** must be returned to the TILT office by December 31st 2026.
5. All hunters will be expected to hunt in a safe and conscientious manner. Alcohol is not permitted on the preserve. Safety first. Remember the Thousand Islands Land Trust staff and work parties may also be using the preserve for ongoing research projects. Please wear blaze orange. Hunters must be at least 500 feet from all roads, driveways, trails and structures before shooting.
6. Please hunt only in assigned areas. If an injured deer goes into another area you **must** contact the TILT office before retrieving it. Shooting from allowed areas into a neighboring property and/or restricted hunting area is strictly prohibited.
7. The Macsherry Trail may be used for access, but hunting is strictly prohibited because of close proximity to a public road.
8. No ATV's! The use of wheeled vehicles is strictly prohibited on TILT's Crooked Creek Preserve. If you need to transport a deer out of the woods, you may use a deer carrier or sled.
9. Parking "Hunting Permit-Auto Tags" must be displayed on the dashboard, window or visor of your vehicle while hunting on the preserve.
10. Authorized person cards (green permit cards) are to be carried while you are on preserve property. The card indicates you are an authorized hunter and shall be shown to anyone of proper authority questioning your right to be hunting on the preserve. In addition, if you encounter anyone hunting on the preserve, you are authorized to ask them to present their permit. You may **POLITELY** ask unauthorized persons trespassing upon the preserve to leave. If they have any questions, please refer them to the Thousand Islands Land Trust at (315) 686-5345.
